## Description

Sea Ray 355 Sundancer SHAFT DRIVE - 2016 ENGINES

Introducing the Sea Ray 355 Sundancer, an extraordinary 39-foot sports cruiser that has undergone major upgrades, totaling over \$100,000 in value. This remarkable vessel features twin Mercruiser 8.1 Horizons, each producing an impressive 375 horsepower, resulting in a top speed of 34 knots. With the added benefit of shaft drive, this cruiser delivers enhanced reliability and durability.

Experience the epitome of luxury as you step aboard the Sea Ray 355 Sundancer. The custom extended rear platform provides a spacious and versatile area for relaxation and water activities. Immerse yourself in the beauty of the open waters, knowing that you're surrounded by premium features and upgrades that have been meticulously chosen.

Indulge in the comfort and style provided by new covers with an extended rear awning, as well as new Raymarine Axiom screens that offer advanced navigation and marine technology. With over \$100,000 worth of upgrades, this vessel showcases exceptional craftsmanship and attention to detail.
