Description

Neva is more than a showstopper—she's a statement of elegance and performance. With just 300 hours on the clock, this 2018 Sunseeker 76 Yacht has been meticulously maintained, ensuring a seamless, worry-free experience on the water. Perfectly poised to own the Australian summer, Neva is ready to cruise in style and comfort.

Based in Sydney, this stunning yacht boasts full-height windows and sleek cutaway gunwales, offering breathtaking views and a profile reminiscent of a superyacht. On the main deck, two plush 10-seater sofas invite you to unwind, bathed in natural light from the expansive windows. For entertainment, twin flush-mounted TVs emerge at the touch of a button, enhancing the luxurious feel of the saloon.

Below deck, three spacious staterooms each come with their own ensuite, providing ultimate privacy and comfort. A fully-equipped chef's galley is tucked away, ensuring seamless entertaining without disrupting the flow of the living space.

The flybridge is a masterpiece of design, offering sunpads, a dedicated dining area, and a retractable sunroof for open-air dining. The flybridge aft houses a jacuzzi, adding a touch of superyacht luxury. With a secondary helm station on the flybridge, you can choose between a private captained experience or take control for a more engaging drive.

At the bow and cockpit, multiple lounging and dining areas create distinct spaces for relaxation. Effortless docking is made possible with the third helm control conveniently positioned in the cockpit. Neva is ready to deliver an unforgettable yachting experience.
