## Description

### Medusa

This magnificent Pan Oceanic 46 must be one of the best turnkey cruising vessels I have ever had the pleasure of inspecting.

The Pan Oceanic 46s are true sailboats. The hull design is heavy and the bow and stern sections are full, reducing 'burying' in a following sea. They have the 'Brewer Bite', a cut out in the keel-lines making the boat quicker on the helm yet providing vital support to the propellor shaft.

Absolutely up to date in every respect, she was extensively rebuilt in 2000 and has been meticulously updated and professionally maintained in every respect on an ongoing basis. Medusa has cruised extensively in the Pacific but has recently graced the Whitsunday waters. Fitted with all the cruising equipment desired, fully encapsulated Keel, skeg hung Rudder with folding propellor, Bow thruster, Electric winches, Autopilot, Water maker and all the latest electronics there is nothing left to spend for the new owner.

If you're looking for a well-found Sea Kindly offshore cruiser to live aboard or explore other Horizons, you need to consider this magnificent vessel.

Please contact the listing agent for further information Leo Rodriguez 0415776633
