Description

Riva El-Iseo – The Perfect Blend of Tradition and Innovation

The Riva El-Iseo captures the spirit of classic luxury with a modern twist, making it the perfect 27-foot runabout for those seeking timeless elegance and cutting-edge technology. As the first full-electric powerboat from Riva, the El-Iseo sets a new standard for sustainable luxury on the water. Powered by a Parker GVM310 electric engine, this sleek boat reaches exhilarating speeds of up to 40 knots, while cruising comfortably at 25 knots with zero emissions.

Crafted with a planing GRP (Glass Reinforced Plastic) hull and superstructure, the El-Iseo offers durability and performance without sacrificing the refined aesthetics Riva is known for. The elegant lines and meticulous attention to detail make this boat a true masterpiece, ideal for leisurely outings or spirited rides.
