Description

Sunreef Ultima 111

The Sunreef Ultima 111 redefines luxury yachting with its blend of cutting-edge innovation, space, and eco-conscious design. Spanning 33.8 meters, this multihull yacht offers sleek, modern aesthetics and expansive living areas, designed for those who seek adventure without compromising on luxury.

The Sunreef Ultima 111 features an advanced hybrid propulsion system, combining electric and traditional power for optimal performance and fuel efficiency. This system allows for silent, emission-free cruising in eco-friendly mode, perfect for environmentally conscious owners who value sustainability alongside luxury. In addition, the eco model integrates state-of-the-art solar panels into the design, offering energy independence while reducing the yacht's environmental footprint.

The yacht's wide beam provides unparalleled stability and comfort, with vast outdoor spaces including sunbathing areas, lounging zones, and a stunning flybridge. Inside, the Sunreef Ultima 111 showcases sophisticated, modern interiors with refined finishes, perfect for entertaining or relaxing. It accommodates up to 12 guests in five spacious staterooms, each with en-suite bathrooms and high-end furnishings.
