Description

Technohull Alpha 40

Experience day boating at its finest with the Technohull Alpha 40, where luxury meets performance beyond expectations. This new build redefines the boating experience, offering unrivaled aesthetics, superior comfort, and dynamic performance. From the sleek exterior lines and aerodynamic hardtop to the finely appointed cabin, every detail of the Alpha 40 has been meticulously crafted for a truly unmatched experience.

The deep V Dynastream® hull ensures a perfectly balanced cruising experience, with low planning speed, exceptional shock mitigation, and superior comfort in all conditions. Whether you're cruising at 14 mph while enjoying a sunset or pushing the limits with high-speed thrills, the Alpha 40 delivers an exhilarating and smooth ride every time.

At 12.1 meters in length with a 3.5-meter beam, the Alpha 40 is designed for those who demand the finest on the water. With room for up to 12 passengers, a spacious deck, luxurious lounge areas, and accommodations for 2-4 berths, it's perfect for day trips or weekend escapes. Powered by up to 2x500HP engines, this high-performance vessel ensures excitement and relaxation in equal measure.
